Courses for teenage school groups

Hilderstone College

COLLEGE

Since 1970, Hilderstone College has built an international reputation for running top quality courses for students and teachers from all over the world.

We aim to provide students with the highest levels of quality in all aspects of their course – teaching, homestay accommodation, College facilities, and the varied social programme. We want to ensure that students benefit as much as possible from their time at the College.

Hilderstone is accredited by the British Council, and is a member of English UK and IALC, and was named an EL Gazette Centre of Excellence in 2019 for the 9th year in a row.

COURSES

Our courses for teenage school groups are designed to the same high standards as our adult programmes. Courses are planned to meet your requirements and the group's needs and interests. We use lively, stimulating materials specially designed for young students aged 12+.

Timetables include classroom work and afternoon, evening and weekend activities.

Your group will be taught together in closed classes of 10 to 15 students, and courses can be booked for a minimum stay of 1 week.

All groups must be accompanied by one group leader for every 10-15 students.

Programmes have 15 or 21 hours of tuition per week and activities.

ACTIVITIES PROGRAMME

We have many activities available. Examples are:

Afternoon activities: orientation tour, sports, walking, town trail, skating, mini-golf, etc.

Evening activities: karaoke, film, games, bowling, folk dance, cultural talks, disco, etc.

Half-day and full-day excursions: Canterbury, Dover Castle, London, Cambridge, etc.

FACILITIES

For safeguarding purposes, our teen students are taught in closed groups separately from our adult students.

The classrooms that teenagers use are each equipped with a computer, and designed to provide a welcoming, comfortable atmosphere for teenage learners. We also provide at least two common rooms, where students can relax between classes and have their lunch.

The facilities include a pool table, board games, table football, wii, a TV and a small student library. There is also a garden, which is a pleasant space to use in warm weather.

Homestay accommodation

HOMESTAY

Our students stay in carefully selected homestay accommodation.

This is a wonderful opportunity for our young learners to practise their English outside the College, and to experience the British way of life.

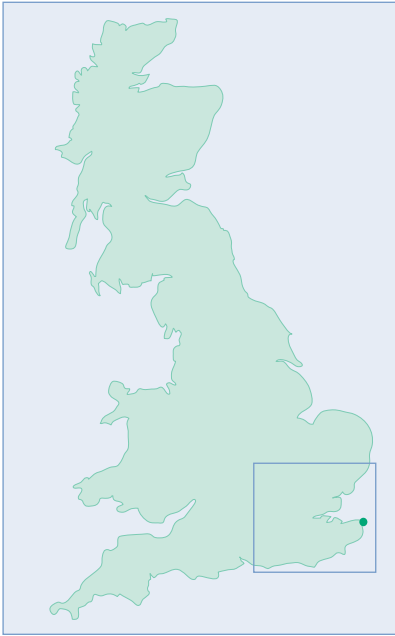

Rooms are shared within the group, two, sometimes three, per homestay in single or twin-bedded rooms depending on availability.

All meals are provided by the homestay. Students are given packed lunches during the week to eat at the College and on weekend excursions.
